RE: T-Mobile Wireless Internet Installation

Dear Mr. Guearin:

I understand your neighborhood is once again encountering the possible installation of a wireless internet satellite tower in the intersection of Byronrd Blvd and Western Avenue. I recall the deep concerns this neighborhood had with the prior attempt at Saint Peter's Episcopal Church. You can rest assured that I will not support such a project.

As I am sure you have heard I was very much involved in supporting the community in reaching a resolution that evicted the church. I am therefore fully aware of your concerns relative to this proposal on your town. I have directed my staff to closely monitor this case and to assist you and your neighbors as necessary.

If you have any additional concerns, please feel free to contact Frank Wong, my planning deputy, by telephone at (213) 475-4178 or by email at [fwong@cityofla.org](mailto:fwong@cityofla.org).

Sincerely,

**JAVIER HARRIS**
